

Abbotsford: Evaluating Candidates

[Vibrant Abbotsford](#) has promoted voter engagement in the upcoming municipal election via their [Twitter feed](#) and elsewhere. An Abbotsford researcher recently developed provided a checklist that can help voters choose based on qualifications rather than name recognition. The researcher engaged 20 community leaders to help develop a checklist that would help voters rate candidates for municipal elected positions according to 10 job qualifications, broken into three groups - knowledge, skills, and personal strengths. Read more [here](#). [Vibrant Abbotsford](#) has also been active researching and promoting a [Living Wage for Abbotsford](#). They calculate that a wage earner working fulltime needs \$16.42 to meet basic needs in Abbotsford
